Re: **Zella M. James**
Bankruptcy Case No. 09-24220-MDM

Dear Ms. James:

Please be advised that the undersigned is the appointed Chapter 7 Bankruptcy Trustee relative to your bankruptcy.

First of all, I notice that the person who assisted you with this bankruptcy filing seems to want to file the tax and wage information directly with the Court, and that is not appropriate. It is to come directly to your appointed Chapter 7 Bankruptcy Trustee. That is me. With that in mind, I will need copies of your 2007 and 2008 Federal and State tax returns.

I will also need copies of all of your gross income check stubs from February and March of 2009.

In addition, you should sit down and make a handwritten list of all gross income payments you received from your employment from October, 2008 through March, 2009. You should add up all of the figures and divide by 6. The result would be your average gross monthly income for the six-month period prior to your bankruptcy filing.

I also note that you have a co-debtor, J.C. Cooley. Perhaps that relates to an automobile. I would appreciate some additional background information and documentation from you relative to that particular obligation.

I will advance my file an additional ten days, and I look forward to receiving that documentation from you within

Dear Mr. Scaffidi,

Thank you for the notice, I was contacted by a different trustee 4/2/2008 that told me that he wanted the people who I assist to file income documents with papers. So I apologize for any inconvenience I may have caused. I will not attach income document(s) to any bankruptcy filing as of 4/15/2009, the date I received notice that this is not appropriate.

Mr. Scaffidi I also contacted Ms. Zella M James at 414-940-6061 and informed her that I could help her with the request in the letter. She stated she started on the letter today also, and she will be stopping in the office soon to make any corrections.

Respectfully,

A handwritten signature in black ink.
